Balewadi Residency Co-Op Housing Welfare Federation popularly known as the Balewadi Welfare Federation is a registered organization working for the progress and betterment of Pune's most sought after suburb named Balewadi.

On the occasion of the Chatrapati Shivaji Maharaj Jayanti, the Balewadi Welfare Federation seeks to felicitate some common Balewadi citizens doing extraordinary work in various fields. Through this endeavor we aim to not only recognize the exemplary deeds of these unsung community heroes but also express our gratitude, appreciation and unflinching support towards them.

Selflessly driven individuals who quietly dedicate their time, efforts and unique skills for something greater than themselves, may often go unseen and unacknowledged by the very society that they enrich.

Balewadi is blessed with a multitude of exemplary citizens doing work in various spheres. Through 'BWF Citizens Awards' we aim to recognize and celebrate these distinguished individuals and their invaluable contributions.

We appeal to the Balewadi community to help us reach out and nominate such citizens who have made impacts in the mentioned areas and are residents of Balewadi or non-residents who have created an impact in Balewadi
